To register, go to the website of the Club with which you want to play. Click on the registration form.

NOTE: each club will have a link to the form on their website.

You must create an account in order to register. If you are a parent registering multiple children, you only need to create one account for yourself.

Complete the details on the create account form and then click **Create Account**.

NOTE: if you already have an account, click [Already have an account? Login](#) to go to the login page.

You account is created and you are taken to the registration page.
